## APPLICATION DETAILS

Application Name: PLNDR

### ICON IMAGE

### IPHONE MOCKUP

**ORIGINAL 1ST PAGE: LOADING PAGE**

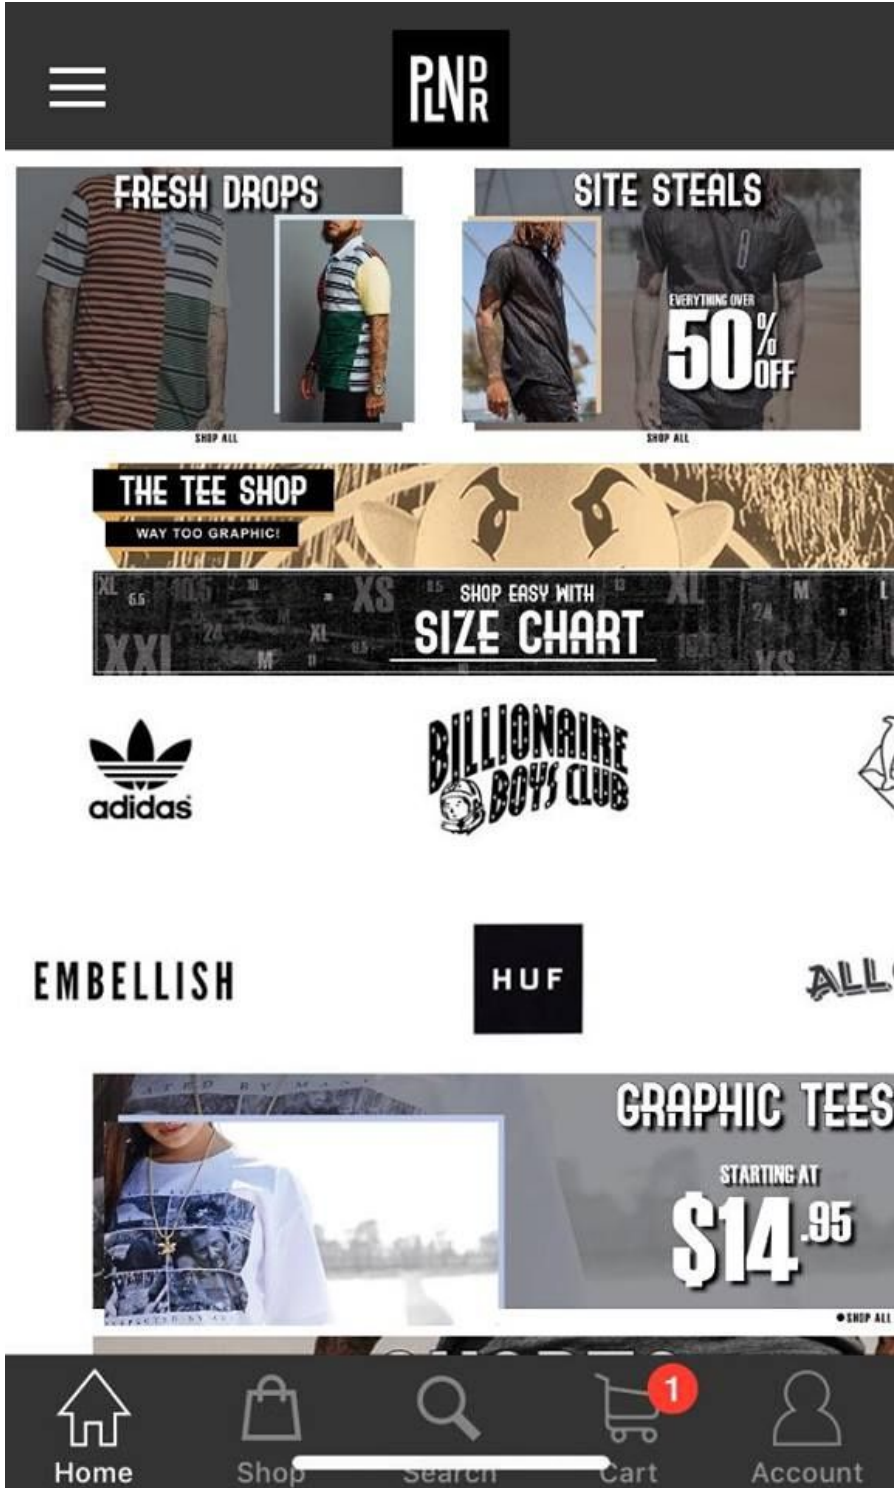

## REDESIGN 1ST PAGE: LOADING PAGE

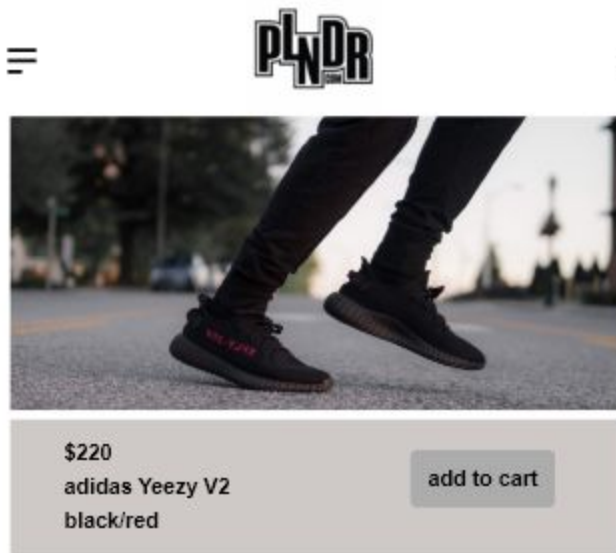

The reason why i'm redesigning the loading page is because i think the logo is at an awkward placement.

ORIGINAL 2ND PAGE: HOMEPAGE

## REDESIGN 2ND PAGE: HOMEPAGE

### Staff Picks of the Month

Mr Bojangles

Blitz

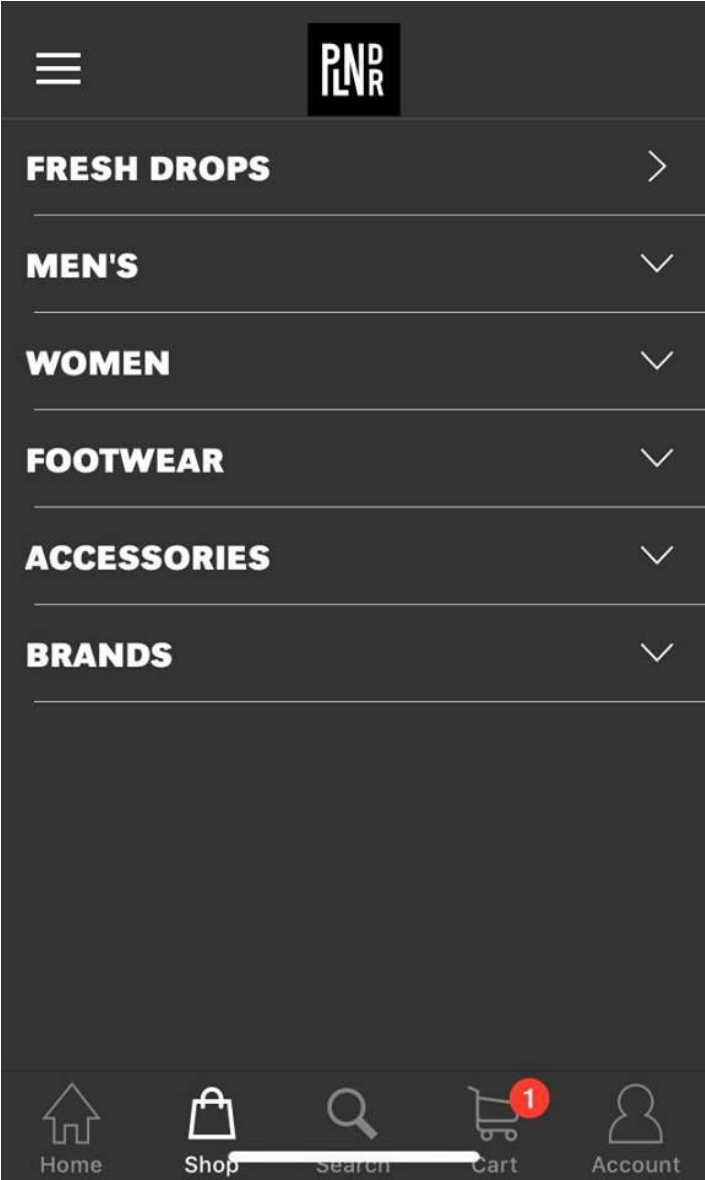

Palace Couture

Relish Apparel

The most revamp i did on this app is the homepage because the original homepage has too much going on and the flow of the homepage is really messy.

ORIGINAL 3RD & 4TH: CATEGORIES AND SEARCH PAGE

## REDESIGN 3RD PAGE: CATEGORIES AND SEARCH COMBINED

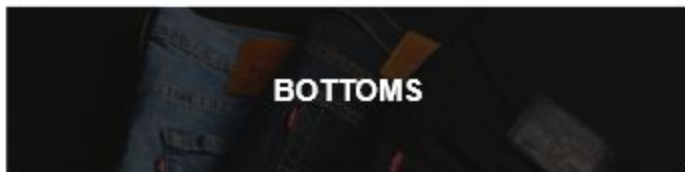

Q Converse

### TOP HITS

CDG x Cons

Golf Le Fluer

Converse 70s

The Categories and Search pages have a large amount of whitespace to it that's why i combined the two pages so that if a client navigates to it, they will have less clicks and less information to digest.
